

CYCLE

TABLEWARE & DECORATION

BY SOPHIE CASIER FOR POMAX

Sophie Casier

Pomax is happy to announce a collaboration with Sophie Casier, a Brussels-based designer with a passion for form, colour, material and light. From her home studio, she creates pieces that explore delicate plays of light.

Cycle is a tribute to the earth, a collection inspired by the unfolding of a peony, the unhurried rhythm, from seed to bloom. Nature speaks in silence, revealing itself through constant transformation. Beneath the surface, the earth rests, then awakens: seeds germinate, sprouts grow, ... everything unfolds at its own pace. Each piece captures a moment within that natural cycle.

Before colour emerges, the seed lives in the soil. I wanted to make that origin tangible, to preserve the quiet beginning of a story yet to be told. Not to choose the obvious path, but to take another route, one that carries the scent of roots, of humus, of damp earth.

That scent you catch from the ground after a rain shower. These deep, natural tones bring us closer to the essence, to where it all begins.
