SOUL IN *your* HOME

SOULFUL LIVING

A home, to me, is more than just a place where I feel at ease—it is a sanctuary to unwind, recharge, and even be a bit silly when the mood strikes. It is a canvas where I can express myself, surrounded by things that bring joy, both material and immaterial. It is a place where souls travel and meet.

Our ANDALUCIA collection perfectly embodies this ethos. The richness and raw materials, sourced from recycled and reclaimed wood, tell a tale of history from the demolition of old houses. These materials, bearing scars and character, share a part of their story. The fusion of aged elements in contemporary designs adds an intriguing touch, making it authentic, yet versatile for various interiors.

“It’s a place where souls travel and meet.”

"I still reflect my own childhood memories in my designs."

When I am looking for fresh ideas or need to recharge, I have to move. Daily life is an endless source of inspiration to me. I read a book, visit my favourite shops or go on a nice trip, and my soul is filled with new energy and impressions.

Everything I design, I try to make as timeless as possible. We may respond to trends which automatically leads to more replaceable items, but I still strive to create collections with a timeless look and feel.

Quality is at the heart of it all. Although we have been an established name for years, we want to keep a fresh perspective. We are always looking for new ways to be more mindful about the way we create, improving the premiumness of our products and producing more basic timeless collections. It's our responsibility to provide an offering that is right for our customers today and tomorrow.

A photograph of a living room interior. On the left, a round, light-colored fabric sofa is adorned with a fringed orange blanket and several pillows, including one with a floral pattern. A large, round, woven jute rug sits on the floor in front of the sofa. To the right, a dark wood chair with a leather seat is positioned. In the background, a window with a grid pattern is partially covered by light-colored curtains. A large, arched, dark metal lamp stands on the right side of the room, casting a warm glow. A tall, narrow abstract painting with warm tones leans against the wall. The floor is made of wide, light-colored wooden planks. The overall atmosphere is warm and rustic.
